This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1922. Excerpt: . . . HUMOKESQUE By Fannie Hurst On either side of the Bowery, which cuts through like a drain to catch its sewage, Every Mans Land, a reeking march of humanity and humidity, steams with the excrement of seventeen languages, flung in patois from tenement windows, fire-escapes, curbs, stoops, and cellars whose walls are terrible and spongy with fungi. By that impregnable chemistry of race whereby the red blood of the Mongolian and the red blood of the Caucasian become as oil and water in the mingling, Mulberry Street, bounded by sixteen languages, runs its intact Latin length of push-carts, clothes-lines, naked babies, drying vermicelli; black-eyed women in rhinestone combs and perennially big with child; whole families of buttonhole-makers, who first saw the blue-and-gold light of Sorrento, bent at home work round a single gas flare; pomaded barbers of a thousand Neapolitan amours. And then, just as suddenly, almost without osmosis and by the mere stepping down from the curb, Mulberry becomes Mott Street, hung in grill-work balconies, the moldy smell of poverty touched up with incense. Orientals whose feet shuffle and whose faces are carved out of satinwood. Forbidden women, their white, drugged faces behind 1 upper windows. Yellow children, incongruous enough in Western clothing. A draughty areaway with an oblique of gaslight and a black well of descending staircase. Show-windows of jade and tea and Chinese porcelains. From *Humoresque*; cop37right, 1919, by Harper and Brothers. Reprinted by permission of the author and the publishers. -More...
