Reviews

These kinds of book is every thing and helped me hunting forward plus more. It is probably the most remarkable book we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

ROWMAN LITTLEFIELD, United States, 2001. Hardback. Book Condition: New. 234 x 152 mm. Language: English . Brand New Book. Is it possible to develop and instill a professional ethic for prison personnel that, in partnership with formal regulatory constraints, will mediate relations among officers, staff, and inmates, or are the failures of imprisonment as an ethically-constrained institution so deeply etched into its structure that no professional ethic is possible? The contributors to this volume struggle with this central question and its broader and narrower ramifications.
