Business Mindset: Lion Power

By Gabrielle Adriana Alexandra Monaen

Createspace, United States, 2014. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****. Lion Power is Business Mindset's 1st chapter. In this economic environment, you must pursue your dreams. Hesitate, and you get left behind. The reality in which you live requires you to build your dreams. And having the strength and structure to be authentic are key to building. See how quickly a year just passed. Realize you have a few more, perhaps several decades, left to experience. Each passes just as quickly. This is the dimension of time. You know more or less what your preferences are. Yes, you can wait till later, to find something better. Yes, you can delay doing what you like, while spending that time waiting. Yes, you can choose your experience. And if you wait today, waiting is your lived experience, defining what you learn and the memories of today. Or: You can accept that these are your likes now, and that they have been so for a while. You can accept this as your reality today. You can accept that your current likes are the tools you have at hand to work...

Reviews

A whole new e book with a brand new perspective. Indeed, it is enjoy, continue to an interesting and amazing literature. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Ebba Hilll

The very best publication i at any time read through. I actually have go through and i am confident that i am going to planning to read through once more once more down the road. I found out this ebook from my i and dad advised this publication to learn.
