Excerpt from Prayers for Priest and People, the Parish and the Home: A Book of Services and Devotions for Clerical and Lay Workers The material of this book has been accumulating for several years, chiefly through the contributions of representative Church clergymen. Widely known men, who have given their best energies to special lines of thought and work, were invited to formulate certain prayers. A response in nearly every case was promptly given. One, who has long been interested in explorations in Egypt, contributed the Prayers for the Harmony of Revelation and Science. Another, who has frequently written and spoken on the subject of Christian Socialism, penned the Prayers for the Employer and the Employed. A third, associated with work among youth, wrote several prayers for Sunday Schools, and a fourth, through long years a worker among young men, is responsible for several of the devotions that relate to this class. Under the headings, Prayers for a Vestry Meeting, Prayers for Graces and Virtues, Family Prayers, and in various other places in the book, may be found forms of devotion that appear for the first time. The new prayers are over one hundred in number. The writers, with a few exceptions, made it a condition that their names should not be mentioned, and this condition will be sacredly observed. Bishops Huntington, Gillespie and Quintard, and the late Bishops Brown, Paddock and Coxe, permitted the introduction of prayers they had prepared for use in their own dioceses. Bishop Coxe especially desired a place in the book for the hymn entitled, Gloria Christi. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more...
