New Century Publications, New Delhi, 2009. Hardcover. Book Condition: New. First. 14 cms. 204pp. This book is all about current economic crisis, its origin, causes, impact, world response, world economic outlook and lessons to be learnt. The focus of the work, however, is on the impact of global economic crisis on India and the policy response by the Government of India, Reserve Bank of India (RBI), Securities and Exchange Board of India (SEBI) and other agencies. Financial turmoil which surfaced in August 2007 in the US financial system?as a result of defaults of sub-prime mortgage loans?has blown into an unprecedented financial crisis engulfing international money, credit, equity and foreign exchange markets.
