By John W. Drane

Darton, Longman & Todd Ltd. Paperback. Book Condition: new. BRAND NEW, After McDonaldization: How Not to Do Church, John W. Drane, The decline in church attendance continues in the US and Europe, yet increasing numbers of people are turning to 'spirituality'; the continuing impact of globalization and consumerism has been joined by a post-9/11 culture of fear and a search for truth. In this sequel to the hugely influential The McDonaldization of the Church, John Drane considers what must come next for the Church. He presents the case for a more 'practical theology', a reinvigorated style of ministry and the restatement of classic Christian beliefs for the 21st century; not just as 'things to believe' but 'values to live by'.

This publication will never be effortless to get started on reading through but very entertaining to read through. It normally is not going to expense too much. I discovered this publication from my dad and i encouraged this book to find out.
