

## I Am #9 John F. Kennedy

By Grace Norwich

Scholastic Paperbacks. Paperback. Book Condition: New. Paperback. 128 pages. Dimensions: 7.5in. x 5.5in. x 0.1in. I was the 35th President of the United States. I am John F. Kennedy. When I was young, people called me courageous and competitive. I used those qualities to serve as a commander in the U. S. Navy. The leadership skills I learned in combat helped earn me a place first as a congressman in the U. S. House of Representatives, and later as a U. S. senator—but that was just the beginning. I became another kind of commander, the commander in chief of the U. S. armed forces, when I was elected president. I was the youngest man to ever hold the office. and my youth affected the progressive decisions I made and the laws I passed. Though I accomplished a great deal in my short life, I was assassinated at the age of forty-six. Still, my brave choices changed the lives of generations to come. I am John F. Kennedy. Featuring full-color illustrated covers, beautiful interior illustrations, a detailed timeline, introductions to other notable people from the story, and simple maps, this is more than your average biography.
