*The very best publication i at any time study. It really is basic but shocks inside the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Amazon Publishing, United States, 2014. Paperback. Book Condition: New. 208 x 140 mm. Language: English . Brand New Book. Claire Perry knows a split second can change everything. It can be the difference between sticking a perfect landing or falling off the beam. It can be the difference between a really fun party or a totally messed up one. Or sometimes, as Claire finds out, it can even be the difference between life . . . or death. For Claire s younger sister, Nellie, an elite gymnast who is destined for gold, things have always come easy. A split second is usually all it takes to capture the attention of a boy at a party, and the judges at a meet, or their critical father everyone. Then one night, one decision, one split second changes their world forever. The two sisters get into a car accident that leaves one of them with a traumatic brain injury. Now, the sisters will have to figure out what s worth fighting for and what are the limits of guilt, forgiveness, and sisterhood. Memories will come crashing back and secrets will come to light whether they re ready for them . . . or not.
