By Hirsh Marantz

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Hirsh Marantz has owned and trained dogs for the past 52 years. His last two dogs have been rescued greyhounds, one of whom he still has. His dogs have earned Companion Dog Excellent (CDX) Titles both in The United States and Canada and a U.S. Utility Dog (UD) Title. Although he has done some private dog training, his main pursuit is teaching dog training. He believes that training a dog is best done by the dog owner, with the exception of some of the more serious aggression or separation anxiety problems that may require a professional animal behaviorist. It is his hope that this book and books like it, will decrease the number of abandoned dogs, and dogs given to shelters because the owners didn't like them anymore. This book attempts to provide you, whether you already own a dog or are thinking of getting a dog, the information on dog selection, care and training, needed to have the ideal dog for your family. Having a dog as part of your family can be a wonderful experience....
