Little, Brown Book Group. Paperback. Book Condition: new. BRAND NEW, When He Was Wicked, Julia Quinn, If God ever wanted to smite a sinner, he couldn't do better than Michael Stirling. Michael Stirling, Sinner. He could see it on a calling card. He'd have had it printed up, even - his was just that sort of black sense of humour - if he weren't convinced it would kill his mother on the spot. Rake he might be, but there was no need to torture the woman who'd borne him.' In every life there is a turning point. A moment so tremendous, so sharp and breathtaking, that one knows one's life will never be the same. For Michael Stirling, London's most infamous bachelor, that moment came the first time he laid eyes on Francesca Bridgerton. After a lifetime of chasing women, of smiling slyly as they chased him, of allowing himself to be caught but never permitting his heart to become engaged, he took one look at Francesca Bridgerton and fell so fast and hard into love it was a wonder he managed to remain standing. Unfortunately for Michael, however, Francesca's surname was to remain Bridgerton for only a mere thirty-six hours longer - the occasion of their meeting was, lamentably, a supper celebrating her imminent wedding to his cousin.
