Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.India has a rich cultural heritage expressed through the large number of festivals celebrated across the country. This book introduces the spectrum of Indian festivals using an activity book approach. The concepts are introduced using activities such as matching exercises, crossword puzzles, and finding paths in a maze. The festivals are arranged in chronological order, with the January festivals at the beginning of the book culminating with festivals that fall in December. This book will be a good launching pad to introduce children to the rich culture of India in a fun manner.
