

The Golden Gate Bridge and Other Natural Wonders

By Han-Jae Lee

River Sanctuary Publishing. Paperback. Book Condition: New. Paperback. 130 pages. Dimensions: 8.0in. x 5.2in. x 0.4in. The Golden Gate Bridge and Other Natural Wonders is Han-Jae Lees first collection of poetry to be published in English. Described as . . . a curious mix of Eastern sensibility and Western playfulness, Lees poetry speaks with striking detail and understated elegance. His is the mind of a seeker who persistently asks us to go beyond how things appear, and in looking deeply, to arrive at the soul of all things. Painting Sometimes the carelessly lined circle becomes a flower. And a casually drawn horizontal line becomes the place where Earth meets up with Heaven. I glimpse the bony branches while I sketch. . . The lines on the paper become the morning sunlight. Or the thorns of rose bushes. Bright flowers bloom. The rose thorns turn into pins which pierce the fin of the fishes like memories that are sleeping in the deep lake. The lilies are shy and smiling; hiding in the woods. Im listening to Vivaldis Four Seasons. Outside, it is raining; gusty winds whip around me. And lightning strikes with a loud voice. Just at that moment the electric lights...
