iUniverse, Inc. Paperback. Book Condition: New. Paperback. 90 pages. Dimensions: 8.8in. x 5.8in. x 0.3in. During a time when Americas families are experiencing a revived interest in the histories of their own and other families, One Doctors Story chronicles the making of John F. J. Clark, Jr. In his own words, Dr. Clark traces his life from his childhood in Charleston, West Virginia, to his successful medical career in Washington, D. C. There was a huge difference in the environments of Charleston and Washington, D. C. , but what the two cities had in common-complete racial segregation-meant that Black people in both cities experienced rampant racism. Through the foundation laid down by his parents and the support of his siblings, One Doctors Story is about overcoming obstacles and exceeding expectations. Educated in the segregated school system of the south, he graduated from Ohio State University and received his medical degree from Howard University. Despite suffering from dyslexia and institutional segregation, his work to eradicate the disparities in maternal health made him a world renowned OB-GYN who has given lectures as far away as China and Russia. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
