Summary: If you're a preservice teacher planning to teach the theatre arts, an in-service secondary teacher considering a foray into teaching theatre, or a theatre professional considering the classroom, there's a lot to learn. But you don't have to know everything to teach well from the start, you just need *Theatre in the Secondary School Classroom*. *Theatre in the Secondary School Classroom* is the trusty guide that every new theatre teacher will be grateful to have as a ready reference. It's not an encyclopaedia on secondary theatre, but a collection of the musts that every beginning instructor needs to know. Theoretical, practical, and friendly, *Theatre in the Secondary School Classroom* introduces key instructional methods and successful strategies, and works through the problems of practice that face all instructors, regardless of their experience. Authors Patterson, McKenna-Crook, and Swick provide numerous illustrations, model letters to parents, work samples, rubrics, checklists, and example test questions to show you precisely how the nitty-gritty of theatre education plays out. In addition each chapter contains suggested extension activities for students, Internet links to valuable resources and research materials, and experience-won hints on topics of specific interest to the new theatre teacher.
