CARTHAGE OR THE EMPIRE OF AFRICA

Read Books, United Kingdom, 2008. Paperback. Book Condition: New. 213 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.PREFACE. Several years have elapsed since I first published the House Carpenters Assistant, which met with a ready sale of some seventeen hundred copies, but in consequence of the death of the publisher the work is now out of print. The object of the author is to revise the former work by omitting the treatises on mathematical instruments, to make room for additional matter that had been overlooked in the former work, in order to furnish house carpenters and builders with a new and easy system of lilies founded on geometrical principles for framing the most difficult L roofs for cutting every description of joints and for finding the sections of angular pieces at any point from a horizontal to a erpendicular, so that their sides shall be in the plane on the sides they are connected with for finding the form of the raking mould for a gable, to intersect with the horizontal mould at any angle diverging from a straight line the mitreing of circular mouldings the relative sizes of timbers framed to support it given weight to the mitreing of planes oblique to the base at any angle. Together with these rules, the author also presents tables of the weight and cohesive strength of the different materials used in the constructiorr of buildings as well as the weight required to crush said materials, with a treatise on the adhesion of nails, screws, iron pills and glue. Also an easy system of stair railing for straight end platform stairs, which will enable carpenters to finish and complete a dwelling without the assistance of a professional stair builder and to all this is added a practical...
