

## Internet Voting Now: Heres How. Heres Why - So You Can Kiss Citizens United Goodbye

By Ph. D. , William J. Kelleher

Empathic Science Institute. Paperback. Book Condition: New. Paperback. 364 pages. Dimensions: 8.0in. x 4.9in. x 0.9in. Like the horseless carriage 100 years ago, Internet voting is coming to the USA. Not only is it convenient and green, but security has been proven manageable by e-commerce. Security scares are dispelled by speaking Reason to Fear. The little known Original Intentions of our Constitutions Framers for presidential elections are explained. How poorly US practices live up to those original intentions is shown next. Readers will be surprised to see how Internet voting, rightly organized, can fulfill those original intentions better than the two-party system is currently doing. This Internet voting system can even neutralize the power of Big Money in all US elections. Democracy in the US can be enhanced immensely. The Conclusion provides suggestions for action. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
