# MALARIA PREVENTION AND CONTROL PROJECT IN SIERRA LEONE

LAP Lambert Acad. Publ. Okt 2010, 2010. Taschenbuch. Book Condition: Neu. 220x150x3 mm. This item is printed on demand - Print on Demand Neuware - Malaria remains the leading cause of morbidity and mortality, and therefore a major public health problem in Africa. Between 300 and 500 million episodes of malaria and 1.5 to 2.5 million deaths occur annually predominantly in children below 5 years and pregnant women. This can be attributed to a number of factors including inadequate preventive...

## Reviews

---

*Absolutely essential go through publication. It is filled with knowledge and wisdom Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- Dr. Sierra Lowe Sr.

*Definitely one of the better book We have possibly read. We have read through and i also am certain that i am going to gonna study once again yet again in the foreseeable future. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- Enrique Labadie

*Simply no terms to explain. I am quite late in start reading this one, but better then never. Its been written in an remarkably easy way and is particularly merely soon after i finished reading this book where basically changed me, affect the way i really believe.*

-- Prof. Jedediah Kuhic DVM
