My name is Georgia and I am a single mother. I believe I was born with talents in writing and drawing (plus a few other gifts), but it has been life's experiences that have allowed me to touch the inner side of both nature and people. Changing events started happening to me since the sixth grade. My father died when I was eleven and things just seemed to keep going downhill from there. I have two beautiful girls in my life. This year (2004) is a major year for us all. I will be forty, my oldest turns twenty-one, and my youngest turns sixteen. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

This book is definitely not effortless to start on reading through but extremely fun to learn. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.
