HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, Your Brain: Level 16, Sally Morgan, Collins Arabic Big Cat is a guided reading series for ages 3 to 11. The series is structured with reference to the learning progression of Arabic at nursery and primary schools researched especially for Collins. This carefully graded approach allows children to build up their reading knowledge of Arabic step by step. Level 16 books offer more complex, underlying themes that give opportunities for children to understand causes and points of view. A wide range of language structures is used to reflect progression in the teaching of Arabic grammar, while still retaining the core aim of encouraging a love of reading through Arabic stories and texts. Your brain controls everything you do - from your movement to your senses and even your thoughts and decisions. Complete with detailed diagrams, discover how this important part of your body works, and how you can look after it.
