Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Occultism and magick is rife with symbols. In fact, the very basis of magick and occult is symbology. Everything is symbolic of some higher truth. From the rituals we perform to the books we read. We are immersed in the power and magick of symbols. There are moments in the occultists and magicians life that require us to pay attention to symbols. In this book, we will not be focusing on tarot cards as a source of knowledge about the future, there are plenty of good books for that. We will be dealing with the tarot cards in a different way, we will be using them as a driving...
