This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1899 edition. Excerpt: . CHAPTER I. Count Charles Veramont De Charney, whose name is doubtless not yet forgotten by the learned men of our time, and might, if need were, be found inscribed in the books of the imperial police,1 was born with a vast facility for learning; but his noble intellect, trained in the schools, had acquired the habit of discussion. He argued far more than he observed. In short, he was better adapted for a philosopher than a scientist. When he was twenty-five years old, he was complete master of seven languages. Unlike many worthy polyglots who seem to have labored to acquire various idioms merely to display their ignorance and inanity to foreigners as well as to their fellow-countrymen (for a man may be a fool in several languages), Count Charney made use of these preparatory studies as stepping-stones to others far more important....
